

# Mint/Archer Intersection closure

**High Level Strategy:**  
Close intersection and divert traffic via Oats Street  
Manage local traffic and pedestrians around construction activities within work area

Detour to enter Bank st via Beatty avenue

Footpath pedestrian traffic to be diverted

Detour to enter Rutland Ave via Raleigh St.

Traffic controller to ensure local properties users still have access during the works

Traffic controller to ensure local properties users still have access during the works

PSP and footpath pedestrian traffic to be diverted East of Rutland Avenue to cross Mint Street

20 m

## Wharf Street Level Crossing Removal
