Dear Planning team,

Application for Home Business

I would like to use part of the property to run my acupuncture practice. I believe my plans meet the restrictions of a **Home Occupation**, except that the property does not currently have a facility for client parking. For this reason I am submitting an application for a **Home Business**, as attached.

- days and hours of operation: Monday – Thursday 8am-4pm
 - number of clients/customers to the site – up to 8 per day
 - booking of appointments – one client to be seen at a time, appointment lengths from 45-75 mins
 - car parking – abundant street parking is available on Memorial Avenue, and the property is around 100m from Carlisle train station and from a bus stop
 - deliveries to the site – minimal (only modest supplies are needed, and they are generally delivered to my PO Box)
 - advertising signs – none currently proposed (any future signage to comply with ToVP Home Business signage policies)
 - any other matters pertaining to the operation and activities of the particular home-based business - none
