## **Does Council have any preference for venues to host awards?**

- Leave that to Town Administration.
- Vic Park Center for the Arts
- Would be nice to have, but not at the expense of other Arts events.  
Don't think there is a suitable venue that could be used. Perhaps this is something that can be done in conjunction with local schools?

## Any other comments?

- The Arts Award should encompass a number of art genres such as but not limited to sculpture, performance, digital, poetry etc... Instead of a printed Arts Collection Book perhaps either a digital book or a web page added onto the library and Town's main website: with link to information on each artwork its location, date of work and the artist etc.
- Fourth option: Arts season every year and Art Award every second year
- Given that we would need to limit the Arts Season to go ahead with an Arts Awards event, I think it's hard to support an Awards event. It would be great to see an exhibition of local art though, which can be run by the Centre for the Arts.
