Nil.

3. DECLARATIONS OF INTEREST

Declarations of interest are to be made in writing prior to the commencement of the Meeting, (a form to assist Elected Members and Staff is attached at the end of this Agenda).

Declaration of Financial Interests

A declaration under this section requires that the nature of the interest must be disclosed. Consequently a member who has made a declaration must not preside, participate in, or be present during any discussion or decision-making procedure relating to the matter the subject of the declaration. An employee is required to disclose their financial interest and if required to do so by the Council must disclose the extent of the interest. Employees are required to disclose their financial interests where they are required to present verbal or written reports to the Council. Employees are able to continue to provide advice to the Council in the decision making process if they have disclosed their interest.

Name/Position	
Item No/Subject	
Nature of Interest	
Extent of Interest	

Declaration of Proximity Interest

Elected members (in accordance with Regulation 11 of the *Local Government [Rules of Conduct] Regulations 2007*) and employees (in accordance with the Code of Conduct) are to declare an interest in a matter if the matter concerns: a) a proposed change to a planning scheme affecting land that adjoins the person's land; b) a proposed change to the zoning or use of land that adjoins the person's land; or c) a proposed development (as defined in section 5.63(5)) of land that adjoins the persons' land.

Land, the proposed land adjoins a person's land if: a) the proposal land, not being a thoroughfare, has a common boundary with the person's land; b) the proposal land, or any part of it, is directly across a thoroughfare from, the person's land; or c) the proposal land is that part of a thoroughfare that has a common boundary with the person's land. A person's land is a reference to any land owned by the person or in which the person has any estate or interest.

Declaration of Interest affecting impartiality

Elected Members (in accordance with Regulation 11 of the *Local Government [Rules of Conduct] Regulations 2007*) and employees (in accordance with the Code of Conduct) are required to declare any interest that may affect their impartiality in considering a matter. This declaration does not restrict any right to participate in or be present during the decision-making process. The Elected Member/employee is also encouraged to disclose the nature of the interest.

4. CONFIRMATION OF MINUTES

That the minutes of the Finance and Audit Committee meeting, held on 17 December 2018, be confirmed.

5. TERMS OF REFERENCE

1. Name

Finance and Audit Committee

2. Purpose

The Town's Strategic Community Plan notes four components of the mission statement, namely –

- Social – To promote sustainable connected, safe and diverse places for everyone.
- Economic – To promote sustainable diverse, resilient and prosperous places for everyone.
- Environment – To promote sustainable liveable, healthy and green places for everyone.
- Civic leadership – To show leadership by communicating with, empowering and supporting people in the community.

The primary purpose of this committee shall be the civic leadership component of the Town's mission statement, which is to show leadership by communicating with, empowering and supporting people in the community.

3. Scope

The committee will primarily focus on the following key civic leadership strategic outcomes–

- Well thought out and managed projects that are delivered successfully.
- Appropriate information management that is easily accessible, accurate and reliable.
- Innovative, empowered and responsible organisational culture with the right people in the right jobs.
- Finances are managed appropriately, sustainably and transparently for the benefit of the community.
- Visionary civic leadership with sound and accountable governance that reflects objective decision making.
- Legislative responsibilities are resourced and managed appropriately, diligently and equitably.

Wherever possible, the committee will seek opportunities to address the following additional strategic outcomes –

- Everyone receives appropriate information in the most efficient and effective way for them.
- Appropriate devolution of decision making and service provision to an empowered community.
- People have positive exchanges with the Town that inspires confidence in the information and the timely service provided.
- A community that is authentically engaged and informed in a timely manner.

4. Deliverables

The committee will –

- Provide strategic leadership in the development and regular review of policies and strategies that are inclusive, empowering and build capacity of the Town of Victoria Park community.
- Provide guidance and assistance to Council as to the carrying out its functions in relation to audits in compliance with the *Local Government Act 1995*.
- Ensure Council maintains its financial capacity to deliver programs and services.
- Provide advice to Council in relation to matters related to the scope of the committee.

Specifically the committee will ensure delivery of the following –

- Annual review of policies, strategies and plans related to the scope of the committee.
- Annual compliance audit.
- Annual risk management audit.

5. Reporting

Although any service area of the Town may report through this committee on matters associated with the primary purpose and scope, the following service areas of council are likely to predominantly feature –

- Customer Relations
- Financial Services
- Human Resources
- Information Systems
- Leadership and Governance
- Project Management

6. Governance

The committee is a Council-created committee formed under Subdivision 2 (Committees and their meetings) of the *Local Government Act 1995* and is governed by the provisions of the *Town of Victoria Park Standing Orders Local Law 2011* and the *Local Government Act 1995* and its regulations.

The committee will comprise a maximum of four (4) Elected Members (being two (2) Elected Member representatives from each of the Town's two (2) wards with five (5) Elected Members being appointed in a hierarchical order as alternate deputy members) and up to two (2) other persons (that may be co-opted from time-to-time for such period, or in relation to such matters, as determined, where that person's experience, skills or qualifications would enable him or her to make a contribution to the committee's functions).

In accordance with section 5.19 of the *Local Government Act 1995*, the quorum for a meeting of the committee is at least 50% of the number of offices (whether vacant or not) of members of the committee.

7. Meeting arrangements

The committee shall convene in accordance with the annual adopted meeting schedule.

8. Authority

The committee has no delegated power. The committee may only make recommendations to Council for a decision.

9. Review

The committee and committee terms of reference will be reviewed from time-to-time and immediately following each local government election.

6. PRESENTATIONS

6.1 Deputations

Nil.

7. METHOD OF DEALING WITH AGENDA BUSINESS

RECOMMENDATION:

That clause 6.10 *Speaking Twice of the Town of Victoria Park Standing Orders Local Law 2011* be suspended for the duration of this meeting.

NOTE: The above recommendation if adopted will enable members to speak more than once and assist in open discussion for the entire meeting.

NOTE: Mover and seconder required and the matter put to the vote.

8. REPORTS

8.1 Schedule of accounts for 31 December 2018

File Reference:	FIN/11/0001~09
Appendices:	Yes
Attachments:	No

Date:	7 January 2019
Reporting Officer:	A. Thampoe
Responsible Officer:	G. Patrick
Voting Requirement:	Simple Majority
Executive Summary:	
Recommendation - That the Finance and Audit Committee recommends that Council, acknowledges the Schedule of Accounts paid for the month ended 31 December 2018.	
<ul style="list-style-type: none"> • The accounts paid for 31 December 2018 as included in the appendices. • Direct lodgement of payroll payments to the personal bank accounts of employees are also included. 	

TABLED ITEMS:

Nil.

BACKGROUND:

Council has delegated to the Chief Executive Officer the authority to make payments from the Municipal and Trust funds in accordance with the *Local Government (Financial Management) Regulations 1996*.

Under Regulation 13(1) of the *Local Government (Financial Management) Regulations 1996*, where a local government has delegated to the Chief Executive Officer the exercise of its power to make payments from the Municipal fund or the Trust fund, each payment from the Municipal fund or the Trust fund is to be noted on a list compiled for each month showing:

- a) The payee's name;
- b) The amount of the payment;
- c) The date of the payment; and
- d) Sufficient information to identify the transaction.

That list should then be presented at the next Ordinary Meeting of the Council following the preparation of the list, and recorded in the minutes of the meeting at which it is presented.

DETAILS:

The list of accounts paid in accordance with *Regulation 13(1) of the Local Government (Financial Management) Regulations 1996* is contained within the Appendices, and is summarised as thus -

Fund	Reference	Amounts
Municipal Account		
Automatic Cheques Drawn	608480 – 608493	15,287
Creditors – EFT Payments		2,975,106
Payroll		1,036,579
Bank Fees		7,232
Corporate MasterCard		5,290
		4,039,494
Trust Account		
Automatic Cheques Drawn	3626 – 3636	18,300
		18,300

Legal Compliance:

Section 6.10 (d) of the Local Government Act 1995 refers, ie. -

6.10. Financial management regulations

Regulations may provide for —

- (d) the general management of, and the authorisation of payments out of —*
- (i) the municipal fund; and*
 - (ii) the trust fund,*
- of a local government.*

Regulation 13(1), (3) & (4) of the Local Government (Financial Management) Regulations 1996 refers, ie. -

13. Lists of Accounts

- (1) If the local government has delegated to the CEO the exercise of its power to make payments from the municipal fund or the trust fund, a list of accounts paid by the CEO is to be prepared each month showing for each account paid since the last such list was prepared —*
- (a) the payee's name;*
 - (b) the amount of the payment;*
 - (c) the date of the payment; and*
 - (d) sufficient information to identify the transaction.*
- (3) A list prepared under subregulation (1) is to be —*
- (a) presented to the council at the next ordinary meeting of the council after the list is prepared; and*
 - (b) recorded in the minutes of that meeting.*

Policy Implications:

Nil

Risk Management Considerations:

Three risks have been identified as outlined.

Risk & Consequence	Consequence + Rating	Likelihood = Rating	Overall Risk Analysis	Mitigation/Actions
Compliance: Council not accepting Schedule of Accounts	Moderate	Unlikely	Moderate	Provide reasoning and detailed explanations to Council to enable informed decision making.
Financial Impact: Misstatement or significant error in Schedule of Accounts	Major	Unlikely	Moderate	Daily and monthly reconciliations. Internal and external audits.
Financial Impact: Fraud and illegal acts	Catastrophic	Rare	Moderate	Stringent internal controls. Internal audits. Segregation of duties

Strategic Plan Implications:

CL6 – Finances are managed appropriately, sustainably and transparently for the benefit of the community.

CL 10 – Legislative responsibilities are resourced and managed appropriately, diligently and equitably.

Financial Implications:

Internal Budget:

Nil

Total Asset Management:

Nil

Sustainability Assessment:

External Economic Implications:

Nil

Social Issues:

Nil

Cultural Issues:

Nil

Environmental Issues:

Nil

COMMENT:

All accounts paid have been duly incurred and authorised for payment as per approved purchasing and payment procedures and it is therefore recommended that the Committee recommend to the Council to accept and confirm the payments, as included in the appendices.

In anticipation that committee members will ask questions about the schedule of accounts, please note that these questions and answers will be included in the appropriate Elected Members Briefing Session agenda and Ordinary Council Meeting agenda.

RECOMMENDATION/S:

The Finance and Audit Committee recommends that Council, pursuant to Regulation 13 of the *Local Government (Financial Management) Regulations 1996 (as amended)*, confirm:

1. **The accounts paid for 31 December 2018 as included in the appendices; and**
2. **Direct lodgement of payroll payments to the personal bank accounts of employees.**

8.2 Financial statements for the month ending 31 December 2018

File Reference:	FIN/11/0001~09
Appendices:	No
Attachments:	Yes

Date:	16 January 2018
Reporting Officer:	A. Thampoe
Responsible Officer:	G. Patrick
Voting Requirement:	Simple Majority

Executive Summary:

Recommendation - That the Finance and Audit Committee recommends that Council, accepts the Financial Activity Statement Report – 31 December 2018, as attached to and forming part of this report.

- The Financial Activity Statement Report is presented for the month ending 31 December 2018. The report complies with the requirements of Regulation 34 (Financial activity statement report) of the *Local Government (Financial Management) Regulations 1996*.

TABLED ITEMS:

Nil.

BACKGROUND:

Each month the Town is required to prepare monthly financial reports, covering prescribed information, and present these to Council for acceptance.

DETAILS:

Presented is the Financial Activity Statement Report – 31 December 2018.

Revenue

Operating Revenue and Non-Operating Revenue – Material variances are identified where, for the period being reported, the actual varies to the budget by an amount of (+) or (-) \$25,000 and, in these instances, an explanatory comment has been provided.

Expense

Operating Expense, Capital Expense and Non-Operating Expense – Material variances are identified where, for the period being reported, the actual varies to the budget by an amount of (+) or (-) \$25,000 and, in these instances, an explanatory comment has been provided.

For the purposes of explaining each material variance, a three-part approach has been applied. The parts are –

1. **Period Variation**
Relates specifically to the value of the variance between the Budget and Actual figures for the period of the Report.

2. Primary Reason(s)
Explains the primary reason(s) for the period variance. Minor contributing factors are not reported.
3. End-of-Year Budget Impact
Forecasts the likely financial impact on the end-of-year financial position. It is important to note that figures in this part are 'indicative only' at the time of reporting, for circumstances may subsequently change prior to the end of the financial year.

Legal Compliance:

Regulation 34 (Financial activity statement report) of the *Local Government (Financial Management) Regulations 1996* states –

- (1) *A local government is to prepare each month a statement of financial activity reporting on the revenue and expenditure, as set out in the annual budget under regulation 22(1)(d), for that month in the following detail —*
 - (a) *annual budget estimates, taking into account any expenditure incurred for an additional purpose under section 6.8(1)(b) or (c);*
 - (b) *budget estimates to the end of the month to which the statement relates;*
 - (c) *actual amounts of expenditure, revenue and income to the end of the month to which the statement relates;*
 - (d) *material variances between the comparable amounts referred to in paragraphs (b) and (c); and*
 - (e) *the net current assets at the end of the month to which the statement relates.*
- (2) *Each statement of financial activity is to be accompanied by documents containing —*
 - (a) *an explanation of the composition of the net current assets of the month to which the statement relates, less committed assets and restricted assets;*
 - (b) *an explanation of each of the material variances referred to in subregulation (1)(d); and*
 - (c) *such other supporting information as is considered relevant by the local government.*
- (3) *The information in a statement of financial activity may be shown —*
 - (a) *according to nature and type classification; or*
 - (b) *by program; or*
 - (c) *by business unit.*
- (4) *A statement of financial activity, and the accompanying documents referred to in subregulation (2), are to be —*
 - (a) *presented at an ordinary meeting of the council within 2 months after the end of the month to which the statement relates; and*
 - (b) *recorded in the minutes of the meeting at which it is presented.*
- (5) *Each financial year, a local government is to adopt a percentage or value, calculated in accordance with the AAS, to be used in statements of financial activity for reporting material variances.*

Policy Implications:

Nil.

Risk Management Considerations:

Risk & Consequence	Consequence + Rating	Likelihood = Rating	Overall Risk Analysis	Mitigation/Actions
Financial Impact: Council not accepting budget amendment recommendation	Moderate	Unlikely	Moderate	Provide reasoning and detailed explanations to Council to enable informed decision making.
Compliance: Financial statement not complying with the requirements of the <i>Local Government (Financial Management) Regulations 1996</i>	Moderate	Unlikely	Moderate	Internal review of monthly Financial activity statement. External audits of monthly financial statements.
Financial impact: Misstatement or significant error in financial statements	Major	Unlikely	Moderate	Daily and monthly reconciliations. Internal and external audits.
Financial Impact: Fraud and illegal acts	Catastrophic	Rare	Moderate	Stringent internal controls. Internal audits. Segregation of duties.

Strategic Plan Implications:

CL6 – Finances are managed appropriately, sustainably and transparently for the benefit of the community.

CL 10 – Legislative responsibilities are resourced and managed appropriately, diligently and equitably.

Financial Implications:Internal Budget:

The Statement of Financial Activity, as contained in the body of the Financial Activity Statement Report, refers and explains.

Total Asset Management:

Nil.

Sustainability Assessment:External Economic Implications:

Nil.

Social Issues:

Nil.

Cultural Issues:

Nil.

Environmental Issues:

Nil.

COMMENT:

It is recommended that the Financial Activity Statement Report – 31 December 2018 be accepted.

CONCLUSION:

The Financial Activity Statement Report – 31 December, complies with the requirements of Regulation 34 (Financial activity statement report) of the *Local Government (Financial Management) Regulations 1996*. It is therefore recommended that the Financial Activity Statement Report – 31 December be accepted.

RECOMMENDATION/S:

That the Finance and Audit Committee recommends that Council, pursuant to Regulation 34 of the *Local Government (Financial Management) Regulations 1996*, accepts the Financial Activity Statement Report – 31 December 2018 as attached to, and forming part of, this report.

Statement of Financial Activity Variances

Material Variances Defined

For the purposes of reporting the material variances in the Statement of Financial Activity (by Service Unit) (as contained in this document), the following indicators, as resolved, have been applied –

Revenues (Operating and Non-Operating)

Service Unit material variances will be identified where, for the period being reviewed, the actual varies to budget by an amount of (+) or (-) \$25,000 and, in these instances, an explanatory comment will be provided.

Expenses (Operating, Capital and Non-Operating)

Service Unit material variances will be identified where, for the period being reviewed, the actual varies to budget by an amount of (+) or (-) \$25,000 and, in these instances, an explanatory comment will be provided.

Before commenting on each of the specific material variances identified it is important to note that, whilst many accounts will influence the overall variance, only those accounts within the affected Service Unit that significantly contribute to the variance will be highlighted.

For the purposes of explaining each variance, a multi-part approach has been taken. The parts are –

1. Period Variation – Relates specifically to the value of the variance between the Budget and Actual figures for the period being reviewed.
2. Primary Reason – Explains the primary reasons for the period variance. As the review is aimed at a higher level analysis, only major contributing factors are reported.
3. Budget Impact – Forecasts the likely \$ impact on the year end surplus or deficit position. It is important to note that values in this part are indicative only at the time of reporting, for circumstances may subsequently change.

Material Variances Explained

The Financial statements are presented based on the new organisational structure

As shown in the in the Statement of Financial Activity (contained within this document), the following variances have been identified -

Revenue

Chief Executive Officer

No material variance to report

Community Planning

- **Urban Planning**

- The period variation is favourable to period budget by \$42,782.
- The variation predominantly relates to higher than anticipated revenue received from Development application fees.
- The budget will be adjusted to account for the positive variance during the annual budget review process.

Finance

- **Leisurelife**

- The period variation is unfavourable to period budget by \$84,219.
- The variation predominantly relates to the cancellation of the school holiday programme in December due to the refurbishment of the change rooms at Leisurelife.
- The budget will be adjusted to account for the negative variance during the annual budget review process.

- **Parking**

- The period variation is favourable to period budget by \$184,978.
- The variation predominantly relates to higher than anticipated paid parking and infringement income. Late payment of parking infringements have also generated revenue related to additional court imposed charges.
- The budget will be adjusted to account for the positive variance during the annual budget review process.

Operations

- **Asset Planning**

- The period variation is unfavourable to period budget by \$32,583.
- The variation predominantly relates to lower than budgeted revenue expected from lease income.
- The budget will be adjusted to account for the negative variance during the annual budget review process.

Operating Expense

Chief Executive Office

- **Communication and Engagement**

- The period variation is favourable to period budget by \$44,143.
- The variation predominantly relates to a current vacancy within the area. Increased expenditure due to a recent addition to the staff full time equivalent will offset the savings.
- The budget will be adjusted to account for the positive variance during the annual budget review process.

- **Customer Relations**

- The period variation is favourable to period budget by \$39,019.
- The variation predominantly relates to a vacancy within the area.
- The budget will be adjusted to account for the positive variance during the annual budget review process.

Community Planning

- **Environmental Health**

- The period variation is unfavourable to period budget by \$31,100.
- The variation predominantly relates to an upsurge of cases that resulted in prosecutions which has led to an increase in use of legal services.
- The budget will be adjusted to account for the negative variance during the annual budget review process.

- **Library Services**

- The period variation is unfavourable to period budget by \$38,624.
- The variation predominantly relates to salaries for additional staff required for short term cover within the Adult Program for improved community literacy and learning program delivery.
- The budget will be adjusted to account for the negative variance during the annual budget review process.

Finance

- **Aqualife**

- The period variation is unfavourable to period budget by \$34,510.
- The variation predominantly relates to staff rosters exceeding budgeted hours across multiple departments (Gym, Recreational Swimming and Learn to swim). Variance is expected to reduce through roster amendments by June 2019.
- The budget will be adjusted to account for the negative variance during the annual budget review process.

- **Information Systems**

- The period variation is unfavourable to period budget by \$85,791
- The variation predominantly relates to a number of new unplanned initiatives occurring this financial year and budget timing. Unplanned projects are expected
- The budget will be adjusted to account for the negative variance during the annual budget review process.

- **Leisurelife**

- The period variation is favourable to period budget by \$209,612.
- The variation predominantly relates to efficiencies in rostering across customer service, crèche and health and fitness areas and decreased delivery expenditure relating to the cancellation of school holiday program for December.
- The budget will be adjusted to account for the positive variance during the annual budget review process.

- **Parking**

- The period variation is favourable to period budget by \$174,009.
- The variation predominantly relates to vacancies within the area. These vacancies have also led to less parking projects and associated lower project expenditure.
- The budget will be adjusted to account for the positive variance during the annual budget review process.

Operations

- **Parks and Reserves**

- The period variation is favourable to period budget by \$429,333.
- The variation predominantly relates to delays in works such as road reserve maintenance, delays to watering season and delays in the implementation of the Urban Forest Strategy.
- The budget allocation will be adjusted to account for the delays during the annual budget review process.

- **Waste Services**

- The period variation is favourable to period budget by \$610,449.
- The variation predominantly relates to lower than anticipated tip fees due to lower tons of waste and gate fees. There is also a budget timing variance relating to the payment of green/bulk verge collection costs.
- The budget will be adjusted to account for the positive variance during the annual budget review process.

Capital Expense

Chief Executive Office

No material variance to report.

Community Planning

No material variance to report.

Finance

No material variance to report.

Operations

- **Asset Planning**

- The period variation is favourable to period budget by \$634,659.
- The variation predominantly relates to minor delays in few capital projects (Leisurelife changeroom, Leisurelife gym equipment). These projects are currently underway.
- The budget will be adjusted to account for the positive variance during the annual budget review process.

- **Parks and Reserves**

- The period variation is favourable to period budget by \$873,722.
- The variation predominantly relates to delays in some capital projects. Works relating to Peninsula to park project has had delays due to unplanned works by Water Corporation on Victoria Park drive.
- The budget will be adjusted to account for the positive variance during the annual budget review process.

- **Street Operations**

- The period variation is favourable to period budget by \$802,884.
- The variation predominantly relates to delays in some capital projects. Most road resurfacing works were scheduled to be completed by early January 2019, but delays on contractor availability and Water Corporation works on Albany Highway has delayed the completion of these projects as planned. Drainage works on Bishopsgate has been delayed due to site access restrictions. Pavement upgrade on Shepperton road and Miller street is expected to be carried forward to the next financial year as this project is staged over two years.
- The budget will be adjusted to account for the positive variance during the annual budget review process. Unspent funds relating to projects that are staged over two years will be carried forward to the next financial year.

Non-Operating Revenue

Finance

No material variance to report.

Operations

No material variance to report.

Non-Operating Expenses

Finance

No material variance to report.

Proposed Budget Amendments

No proposed budget amendments.

Accounting Notes

Significant Accounting Policies

The significant accounting policies that have been adopted in the preparation of this document are:

(a) Basis of Preparation

The document has been prepared in accordance with applicable Australian Accounting Standards (as they apply to local government and not-for-profit entities), Australian Accounting Interpretations, other authoritative pronouncements of the Australian Accounting Standards Board, the Local Government Act 1995 and accompanying regulations.

The document has also been prepared on the accrual basis and is based on historical costs, modified, where applicable, by the measurement at fair value of selected non-current assets, financial assets and liabilities.

(b) The Local Government Reporting Entity

All Funds through which the Council controls resources to carry on its functions have been included in this document.

In the process of reporting on the local government as a single unit, all transactions and balances between those Funds (for example, loans and transfers between Funds) have been eliminated.

(c) 2018 - 2019 Actual Balances

Balances shown in this document as 2018 - 2019 Actual are subject to final adjustments.

(d) Rounding Off Figures

All figures shown in this document, other than a rate in the dollar, are rounded to the nearest dollar.

(e) Rates, Grants, Donations and Other Contributions

Rates, grants, donations and other contributions are recognised as revenues when the local government obtains control over the assets comprising the contributions. Control over assets acquired from rates is obtained at the commencement of the rating period or, where earlier, upon receipt of the rates.

(f) Superannuation

The Council contributes to a number of Superannuation Funds on behalf of employees. All funds to which the Council contributes are defined contribution plans.

(g) Goods and Services Tax

Revenues, expenses and assets capitalised are stated net of any GST recoverable. Receivables and payables in the statement of financial position are stated inclusive of applicable GST. The net amount of GST recoverable from, or payable to, the ATO is included with receivables on payables in the statement of financial position. Cash flows are presented on a Gross basis. The GST components of cash flows arising from investing or financing activities which are recoverable from, or payable to, the ATO are presented as operating cash flows.

(h) Cash and Cash Equivalents

Cash and cash equivalents include cash on hand, cash at bank, deposits held at call with banks, other short term highly liquid investments with original maturities of three months or less that are readily convertible to known amounts of cash and that are subject to an insignificant risk of changes in value and bank overdrafts. Bank overdrafts are shown as short term borrowings in current liabilities.

(i) Trade and Other Receivables

Collectability of trade and other receivables is reviewed on an ongoing basis. Debts that are known to be uncollectible are written off when identified. An allowance for doubtful debts is raised when there is objective evidence that they will not be collectible.

(j) InventoriesGeneral

Inventories are measured at the lower of cost and net realisable value. Net realisable value is the estimated selling price in the ordinary course of business less the estimated costs of completion and the estimated costs necessary to make the sale.

Land Held for Resale

Land purchased for development and/or resale is valued at the lower of cost and net realisable value. Cost includes the cost of acquisition, development, borrowing costs and holding costs until completion of development. Finance costs and holding charges incurred after development is completed are expensed.

Revenue arising from the sale of property is recognised as at the time of signing an unconditional contract of sale. Land held for resale is classified as current except where it is held as non-current based on Council's intentions to release for sale.

(k) Fixed Assets

Each class of fixed asset is carried at cost or fair value as indicated less, where applicable, any accumulated depreciation and impairment losses.

Initial Recognition

All assets are initially recognised at cost. Cost is determined as the fair value of the assets given as consideration plus costs incidental to the acquisition. For assets acquired at no cost, or for nominal consideration, cost is determined as fair value at the date of acquisition. The cost of non-current assets constructed by the Council includes the cost of all materials used in construction, direct labour on the project and an appropriate proportion of variable and fixed overheads.

Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Council and the cost of the item can be measured reliably. All other repairs and maintenance are recognised as expenses in the period in which they are incurred.

Revaluation

Certain asset classes may be re-valued on a regular basis such that the carrying values are not materially different from fair value. For infrastructure and other asset classes, where no active market exists, fair value is determined to be the current replacement cost of an asset less, where applicable, accumulated depreciation calculated on the basis of such cost to reflect the already consumed or expired future economic benefits of the asset. Increases in

the carrying amount arising on revaluation of assets are credited to a revaluation surplus in equity. Decreases that offset previous increases of the same asset are recognised against revaluation surplus directly in equity; all other decreases are recognised in profit or loss. Any accumulated depreciation at the date of revaluation is eliminated against the gross carrying amount of the asset and the net amount is restated to the re-valued amount of the asset.

Those assets carried at a re-valued amount, being their fair value at the date of revaluation less any subsequent accumulated depreciation and accumulated impairment losses, are to be re-valued with sufficient regularity to ensure the carrying amount does not differ materially from that determined using fair value at reporting date.

Land Under Roads

In Western Australia, all land under roads is Crown land, the responsibility for managing which, is vested in the local government. Council has elected not to recognise any value for land under roads acquired on or before 31 December 2008. This accords with the treatment available in Australian Accounting Standard AASB 1051 Land Under Roads and the fact Local Government (Financial Management) Regulation 16 (a) (i) prohibits local governments from recognising such land as an asset. In respect of land under roads acquired on or after 1 August 2008, as detailed above, Local Government (Financial Management) Regulation 16 (a) (i) prohibits local governments from recognising such land as an asset.

Whilst such treatment is inconsistent with the requirements of AASB 1051, Local Government (Financial Management) Regulation 4 (2) provides, in the event of such an inconsistency, the Local Government (Financial Management) Regulations prevail. Consequently, any land under roads acquired on or after 1 September 2008 is not included as an asset of the Council.

Depreciation of Non-Current Assets

All non-current assets having a limited useful life (excluding freehold land) are systematically depreciated over their useful lives in a manner that reflects the consumption of the future economic benefits embodied in those assets. Assets are depreciated from the date of acquisition or, in respect of internally constructed assets, from the time the asset is completed and held ready for use. Depreciation is recognised on a straight-line basis, using rates that are reviewed each reporting period. Major depreciation periods are:

Buildings	40 years
Furniture and Equipment	5 – 10 years
Plant and Machinery	2 – 10 years
Sealed Roads	- Clearing and Earthworks - Construction and Road Base - Original Surface / Major Resurface
	Not depreciated 5 – 80 years 5 – 80 years
Drainage	5 – 80 years
Pathways	5 – 80 years
Parks and Reserves	5 – 80 years

Asset residual values and useful lives are reviewed, and adjusted if appropriate, at the end of each reporting period. An asset's carrying amount is written down immediately to its recoverable amount if the asset's carrying amount is greater than its estimated recoverable

amount. Gains and losses on disposals are determined by comparing proceeds with the carrying amount. When revalued assets are sold, amounts included in the revaluation surplus relating to that asset are transferred to retained earnings.

Capitalisation Threshold

Expenditure on capital items under \$2,000 is not individually capitalised. Rather, it is recorded on an Asset Low Value Pool listing.

(I) Financial Instruments

Initial Recognition and Measurement

Financial assets and financial liabilities are recognised when the Council becomes a party to the contractual provisions to the instrument. For financial assets, this is equivalent to the date that the Council commits itself to either the purchase or sale of the asset (i.e. trade date accounting is adopted). Financial instruments are initially measured at fair value plus transaction costs, except where the instrument is classified 'at fair value through profit or loss', in which case transaction costs are expensed to profit or loss immediately.

Classification and Subsequent Measurement

Financial instruments are subsequently measured at fair value, amortised cost using the effective interest rate method or cost. Fair value represents the amount for which an asset could be exchanged or a liability settled, between knowledgeable, willing parties. Where available, quoted prices in an active market are used to determine fair value. In other circumstances, valuation techniques are adopted.

Amortised cost is calculated as:

- a. the amount in which the financial asset or financial liability is measured at initial recognition;
- b. less principal repayments;
- c. plus or minus the cumulative amortisation of the difference, if any, between the amount initially recognised and the maturity amount calculated using the effective interest rate method; and
- d. less any reduction for impairment.

The effective interest method is used to allocate interest income or interest expense over the relevant period and is equivalent to the rate that discounts estimated future cash payments or receipts (including fees, transaction costs and other premiums or discounts) through the expected life (or when this cannot be reliably predicted, the contractual term) of the financial instrument to the net carrying amount of the financial asset or financial liability. Revisions to expected future net cash flows will necessitate an adjustment to the carrying value with a consequential recognition of an income or expense in profit or loss.

Financial assets at fair value through profit and loss

Financial assets at fair value through profit or loss are financial assets held for trading. A financial asset is classified in this category if acquired principally for the purpose of selling

in the short term. Derivatives are classified as held for trading unless they are designated as hedges. Assets in this category are classified as current assets.

Loans and receivables

Loans and receivables are non-derivative financial assets with fixed or determinable payments that are not quoted in an active market and are subsequently measured at amortised cost. Loans and receivables are included in current assets where they are expected to mature within 12 months after the end of the reporting period.

Held-to-maturity investments

Held-to-maturity investments are non-derivative financial assets with fixed maturities and fixed or determinable payments that the Council's management has the positive intention and ability to hold to maturity. They are subsequently measured at amortised cost. Held-to-maturity investments are included in current assets where they are expected to mature within 12 months after the end of the reporting period. All other investments are classified as non-current. They are subsequently measured at fair value with changes in such fair value (i.e. gains or losses) recognised in other comprehensive income (except for impairment losses). When the financial asset is derecognised, the cumulative gain or loss pertaining to that asset previously recognised in other comprehensive income is reclassified into profit or loss.

Available-for-sale financial assets

Available-for-sale financial assets are non-derivative financial assets that are either not suitable to be classified into other categories of financial assets due to their nature, or they are designated as such by management. They comprise investments in the equity of other entities where there is neither a fixed maturity nor fixed or determinable payments.

They are subsequently measured at fair value with changes in such fair value (i.e. gains or losses) recognised in other comprehensive income (except for impairment losses). When the financial asset is derecognised, the cumulative gain, or loss, pertaining to that asset previously recognised in other comprehensive income is reclassified into profit or loss.

Available-for-sale financial assets are included in current assets, where they are expected to be sold within 12 months after the end of the reporting period. All other financial assets are classified as non-current.

Financial liabilities

Non-derivative financial liabilities (excluding financial guarantees) are subsequently measured at amortised cost.

Impairment

At the end of each reporting period, the Council assesses whether there is objective evidence that a financial instrument has been impaired. In the case of available-for-sale financial instruments, a prolonged decline in the value of the instrument is considered to determine whether impairment has arisen. Impairment losses are recognised in profit or loss. Any cumulative decline in fair value is reclassified to profit or loss at this point.

Derecognition

Financial assets are derecognised where the contractual rights for receipt of cash flows expire or the asset is transferred to another party, whereby the Council no longer has any significant continual involvement in the risks and benefits associated with the asset.

Financial liabilities are derecognised where the related obligations are discharged, cancelled or expired. The difference between the carrying amount of the financial liability extinguished or transferred to another party and the fair value of the consideration paid, including the transfer of non-cash assets or liabilities assumed, is recognised in profit or loss.

(m) Impairment

In accordance with Australian Accounting Standards the Council's assets, other than inventories, are assessed at each reporting date to determine whether there is any indication they may be impaired. Where such an indication exists, an impairment test is carried out on the asset by comparing the recoverable amount of the asset, being the higher of the asset's fair value less costs to sell and value in use, to the asset's carrying amount.

Any excess of the asset's carrying amount over its recoverable amount is recognised immediately in profit or loss, unless the asset is carried at a revalued amount in accordance with another standard (e.g. AASB 116). For non-cash generating assets such as roads, drains, public buildings and the like, value in use is represented by the depreciated replacement cost of the asset. At the time of adopting the Annual Budget, it was not possible to estimate the amount of impairment losses (if any) as at 31 December 2018. In any event, an impairment loss is a non-cash transaction and consequently, has no impact on the Annual Budget.

(n) Trade and Other Payables

Trade and other payables represent liabilities for goods and services provided to the Council prior to the end of the financial year that are unpaid and arise when the Council becomes obliged to make future payments in respect of the purchase of these goods and services. The amounts are unsecured and are usually paid within 30 days of recognition.

(o) Employee Benefits

Provision is made for the Council's liability for employee benefits arising from services rendered by employees to the end of the reporting period. Employee benefits that are expected to be settled within one year have been measured at the amounts expected to be paid when the liability is settled.

Employee benefits payable later than one year have been measured at the present value of the estimated future cash outflows to be made for those benefits. In determining the liability, consideration is given to employee wage increases and the probability that the employee may not satisfy vesting requirements. Those cash flows are discounted using market yields on national government bonds with terms to maturity that match the expected timing of cash flows.

(p) Borrowing Costs

Borrowing costs are recognised as an expense when incurred except where they are directly attributable to the acquisition, construction or production of a qualifying asset. Where this is the case, they are capitalised as part of the cost of the particular asset.

(q) Provisions

Provisions are recognised when:

- a. The Council has a present legal or constructive obligation as a result of past events;
- b. for which it is probable that an outflow of economic benefits will result; and
- c. that outflow can be reliably measured.

Provisions are measured using the best estimate of the amounts required to settle the obligation at the end of the reporting period.

(r) Current and Non-Current Classification

In the determination of whether an asset or liability is current or non-current, consideration is given to the time when each asset or liability is expected to be settled. The asset or liability is classified as current if it expected to be settled within the next 12 months, being the Council's operational cycle. In the case of liabilities where the Council does not have the unconditional right to defer settlement beyond 12 months, such as vested long service leave, the liability is classified as current even if not expected to be settled within the next 12 months. Inventories held for trading are classified as current even if not expected to be realised in the next 12 months except for land held for resale where it is held as non-current based on the Council's intentions to release for sale.

(s) Comparative Figures

Where required, comparative figures have been adjusted to conform to changes in presentation for the current reporting period.

(t) Budget Comparative Figures

Unless otherwise stated, the Budget comparative figures shown in this Budget document relate to the original Budget estimate for the relevant item of disclosure.

Service Unit Definitions

The Town operations, as disclosed in this report, encompass the following service-oriented Service Units –

Chief Executive OfficeChief Executive Office

The Chief Executive Office leads and supports the transformation of the organisation into a customer-focused, culturally constructive, legislatively compliant, sector-

leading entity, with a primary focus on the Service Areas within the Chief Executive Office functional area.

Communications and Engagement

Communications and Engagement manages the brand and reputation of the Town. This is achieved through developing clear and accessible messaging, consulting with the community, delivering key messages through various channels and working to reach the appropriate audiences through strategically executed marketing, engagement and communication planning..

Customer Relations

Customer Relations manages the Customer Service Contact Centre, which is the first point of contact for the organisation, and monitors performance against the Town's Customer Service Charter.

Leadership and Governance

The Leadership and Governance Service Area is committed to responsibly managing the Town on behalf of the residents and ratepayers of the District through collaboration, knowledge-sharing and good governance.

Human Resources

Human Resources is responsible for the development and implementation of occupational health and safety compliance, staff development, employee relations, recruitment and payroll services of the Town.

Community Planning

Building Services

Building Services provide services to ensure buildings are safe, liveable, accessible and sustainable, and meet statutory requirements.

Community Development

The Community Development team's vision is an empowered Victoria Park, which will be achieved through the mission of community capacity building.

Community Planning Office

The Community Planning Office leads and supports the transformation of the organisation into a customer-focused, culturally constructive, legislatively compliant, sector-leading entity, with a primary focus on the Service Areas within the Community Planning functional area.

Digital Hub

The Digital Hub provides free digital literacy and online training for the local community, not-for-profit organisations and local business operators.

Economic Development

Economic Development seeks to increase the economic growth of the district through fostering business attraction and retention, tourism, marketing, community initiatives and creating robust relationships.

Environmental Health

Environmental Health seeks to promote good standards of public health via the many hospitality outlets in the area and the community in general.

General Compliance

The General Compliance Area liaise with and direct property owners and developers to ensure built-form building and planning requirements are adhered to at all times.

Healthy Community

The Healthy Community team connect people to services, resources, information, facilities, and experiences that enhance their physical and social health and wellbeing.

Library Services

Library Services plays a pivotal role in providing our community with access to resources, knowledge and technology in a safe, nurturing environment.

Place Management

The Place Management Service Area implements programs, that are suitable for the particular targeted section of the community, to improve places within the District or, where the community is satisfied with the standard of operation, to maintain the already attained standard.

Strategic Town Planning

Strategic Town Planning develops strategies for the future growth of the Town, with the aims of creating a vibrant community and improving the quality of life for residents.

Urban Planning

Urban Planning assesses applications for development approval and subdivision, provides advice to the community and ensures land is appropriately used and developed.

Finance

Aqualife

The Aqualife Centre aims to improve community health and wellbeing; and to provide a safe and welcoming environment for the community to meet and socialise, primarily through aquatic recreation.

Budgeting

The Budgeting Area includes the administration of non-cash expenditure and revenue associated with local government accounting requirements, including profit and loss and depreciation.

Corporate Funds

The Corporate Funds are includes the management of loans, reserve fund transfers, restricted and trust funds, rate revenue and corporate grants funding.

Finance Office

The Finance Office leads and supports the transformation of the organisation into a customer-focused, culturally constructive, legislatively compliant, sector-leading entity, with a primary focus on the Service Areas within the Finance functional area.

Financial Services

The key role of Financial Services is to manage and control the Town's finances in a sound and prudent manner.

Information Systems

Information Systems assists the Town in operating efficiently with the smooth running of essential business computer programs and systems.

Leisurelife

The Leisurelife Centre aims to improve community health and wellbeing, and to provide a safe and welcoming environment for the community to meet and socialise, primarily through active recreation.

Parking

The Parking Management section guides future parking initiatives within the Town, ensuring equitable access for everyone, whilst also monitoring existing parking areas and ensuring a safer community.

Rangers

Ranger Services offer a 24 hours-a-day / 7 days-a-week service to help ensure community safety in the areas of Dog and Cat management and Local Law enforcement.

Operations

Asset Planning

Asset Planning provides services to manage and maintain Council facilities and their related assets.

Environment

The Environment Area is committed to preserving and enhancing natural areas and recognises not only the ecological benefits of protecting natural assets, but also the social and recreational benefits as well.

Fleet Services

Fleet Services oversees the various items of light fleet, heavy fleet and plant and equipment.

Operations Office

The Operations Office leads and supports the transformation of the organisation into a customer-focused, culturally constructive, legislatively compliant, sector-leading entity, with a primary focus on the Service Areas within the Operations functional area.

Parks and Reserves

The Parks and Reserves Section delivers high quality horticultural works to parks, reserves and streetscapes.

Project Management

Project Management assists in improving the standards of project management and project delivery, and delivers nominated projects on behalf of the Town.

Street Improvement

Street Improvement provides engineering advice, design, planning, and road safety initiatives.

Street Operations

Street Operations ensure the maintenance and renewal of roads, pathways, drainage and associated assets.

Waste

Waste Management implements waste collection, minimisation and disposal in a sustainable manner.

Reserve Funds Descriptions

The purposes for which funds have been set aside by Council, in Reserve Funds, are outlined below -

Building Renewal

To be used to fund renewal projects associated with Council's Building assets.

Cash-in-Lieu

To be used to assist in funding initiatives associated with payments received as cash in lieu of required obligations or works.

Community Art

To be used to fund the purchase and placement of art for the Council and Community.

Drainage Renewal

To be used to fund renewal projects associated with Council's Drainage infrastructure.

Edward Millen Site

To be used to assist in improving and / or maintaining the Edward Millen site, including the associated grounds.

Furniture and Equipment Renewal

To be used to fund renewal projects associated with Council's Furniture and Equipment assets.

Future Fund

To assist in funding projects and property purchases that diversify Council's revenue streams.

Future Projects

To assist in funding 'new' and 'upgrade' capital projects, with funding primarily derived from the sale of land assets.

Harold Hawthorne - Carlisle Memorial

To be used to provide funds to assist in conducting future Spring Garden Competitions.

Information Technology Renewal

*To be used to fund renewal projects associated with Council's information technology assets.
significant insurance claims.*

Insurance Risk Reserve

To be used for the purpose of meeting the difference between premiums and claims in the event of any significant insurance claims.

Other Infrastructure Renewal

To be used to fund renewal projects associated with Council's Other infrastructure.

Parks Renewal

To be used to fund renewal projects associated with Council's Parks infrastructure.

Pathways Renewal

To be used to fund renewal projects associated with Council's Pathways infrastructure

Reserve Funds
For the month ended 31 December 2018

Plant and Machinery Renewal

To be used to assist in the acquisition and replacement of the Town's Plant and Machinery.

Renewable Energy

To assist in investigating and funding renewable energy projects within the District.

Roads Renewal

To be used to fund renewal projects associated with Council's Roads Infrastructure

Underground Power

To assist in the funding of projects associated with the installation of underground power and associated landscaping.

Waste Management

To assist in the funding of waste management and waste minimisation strategies

Capital Items

The following pages summarise the progress of the Capital Items.

For the purposes of these pages, the following indicators have been used -

Item Timing

This relates to how the item is tracking time-wise and is displayed using the following indicators -

- Behind
- On-Track
- In-Front

Budget Status

This relates to how the item is costing against the Revised Budget and is displayed using the following indicators -

- Over budget
- On budget
- Under budget

Completion Stage

This relates to where the item is currently, in terms of completion, and is displayed using the following indicators -

- Not commenced
- Commenced
- Half-way completed
- Nearing completion
- Completed

8.3 Adoption of EM6 Fees, Expenses and Allowances – Elected Members and Independent Committee Members Policy

File Reference:	ADM0058
Appendices:	<ol style="list-style-type: none"> 1. EM6 Fees, Expenses and Allowances – Elected Members Policy (Appendix 1) 2. Proposed EM6 Fees, Expenses and Allowances – Elected Members and Independent Committee Members Policy (Appendix 2)
Attachments:	No

Date:	22 January 2019
Reporting Officer:	D. Uniza
Responsible Officer:	A. Vuleta
Voting Requirement:	Simple Majority
Executive Summary:	
<p>Recommendation – That the Finance and Audit Committee recommends that Council adopts the EM6 Fees, Expenses and Allowances – Elected Members and Independent Committee Members Policy, as included in the Appendix 2.</p> <ul style="list-style-type: none"> • At its meeting held on 25 May 1999, Council adopted the EM6 Fees, Expenses and Allowances – Elected Members Policy • This policy was last reviewed in August 2015 • Resulting from its 2017 review, it is recommended that the existing policy, instead of being amended, be repealed and replaced with the proposed EM6 Fees, Expenses and Allowances – Elected Members and Independent Committee Members Policy 	

TABLED ITEMS:

Nil.

BACKGROUND:

In accordance with Section 2.7(2)(b) of the Local Government Act 1995, Council is to set the local government's policies.

At its meeting held on 25 May 1999, Council adopted the EM6 Fees, Expenses and Allowances – Elected Members Policy for the purpose of setting out the meeting fees and allowances to be provided to elected members. Since its adoption, this policy has been reviewed three times – July 2013, August 2013 and August 2015.

In 2017, a review of the policy was conducted by the Town upon request by the Finance and Audit Committee ('the Committee'). While workshops were held with the Committee, the final policy presented for adoption was presented to Council via an officer report, not a committee recommendation. The policy was presented at the Ordinary Council Meeting held on 13 November 2018. Council resolved to refer the item back to the Finance and Audit Committee for consideration due to a number of issues that needed clarification. Further detail regarding this can be found in the Council minutes relating to [Item 13.2 Policy Review - EM6 Fees, Expenses and Allowances – Elected Members Policy](#).

Upon referral back to the Finance and Audit Committee, the Committee has since reviewed the policy through a committee workshop.

DETAILS:

This policy was requested for review by the Finance and Audit Committee to ensure that the policy was still relevant, reflected Council's position on the matter, and accounts for recent changes to the Town's committee structure, specifically the inclusion of independent committee members. During the first iteration of the policy's review, it was indicated by the Committee that the following key outcomes were anticipated as a result of the review:

1. That the current payment cycle be changed from six-monthly to monthly in arrears
2. Allowance levels be retained as is, including the retention of 'annual sitting fees' as opposed to meeting fees
3. That the policy recognises independent committee members

Cognisant of those intended outcomes, this review process further included:

- A review of similar policies from six other metropolitan councils
- A thorough review of the policy against both legislative requirements as set out in the Act, and against determinations as set out by the Salaries and Allowances Tribunal
- Ensuring that the policy can be pragmatically applied by the administration in its day-to-day operations
- Aligned with proposed changes from Phase 1 of the Local Government Act review, specifically its requirement for local governments to produce an elected member professional development policy

Legal Compliance:

[Local Government Act 1995 – Section 2.7\(2\)\(b\)](#)

[Local Government \(Administration\) Regulations 1996 – Reg. 31](#)

[Local Government \(Administration\) Regulations 1996 – Reg. 32](#)

[Salaries and Allowances Tribunal Determinations for Local Governments CEOs and Elected Members](#)

Policy Implications:

EM6 Fees, Expenses and Allowances – Elected Members Policy

EM5 Conference Expenses – Elected Members

Risk Management Considerations:

Risk & Consequence	Consequence + Rating	Likelihood = Rating	Overall Risk Analysis	Mitigation/Actions
Legal The policy being inconsistent with the Act and determinations set by the Salaries and Allowances Tribunal	Major	Unlikely	Moderate	The proposed policy has been checked against relevant legislation to ensure compliance.

<p>Compliance The policy not giving clear direction to the Town’s administration to ensure compliance in application of the policy</p>	<p>Moderate</p>	<p>Possible</p>	<p>Moderate</p>	<p>The proposed policy was created as a collaborative effort between officers and elected members to ensure that it is easily applied in the day-to-day operations of the Town</p>
---	-----------------	-----------------	-----------------	--

Strategic Plan Implications:

CI6 – Finances are managed appropriately, sustainably and transparently for the benefit of the community

Financial Implications:

Internal Budget:

There are sufficient funds in the current budget to support principles presented in the policy.

Total Asset Management:

Not applicable.

Sustainability Assessment:

External Economic Implications:

Not applicable.

Social Issues:

The policy aims to ensure that both elected members and independent committee members are provided with sufficient support to conduct their duties in a way that is fair, equitable and compliant of relevant legislation.

Cultural Issues:

Not applicable.

Environmental Issues:

Not applicable.

COMMENT:

As significant changes have been made to the existing policy, EM6 Fees, Expenses and Allowances – Elected Members Policy, it is proposed that the current policy is repealed and replaced with the proposed EM6 Fees, Expenses and Allowances – Elected Members and Independent Committee Members Policy, as presented in Appendix 2.

Such changes are outlined below:

Change	Reason
<p>Payment of annual attendance fees and ICT expenses allowance cycle from 6-monthly to monthly</p>	<p>To better align with the Town’s current payment cycles</p>

Clarification of reimbursements available to elected members under Regulation 32 of the Regulations relating to travel.	To ensure that the types of travel which Council approves reimbursements for, outside of that set out in Regulation 31, are clearly outlined
Addition of 'Conference expenses' section	To ensure that allowable conference expenses are aligned to the allocated amount as approved in the annual budget
Addition of 'Professional development expenses' section	To ensure that the policy is forward-thinking in allocating allowable professional development expenses, as will be set in the annual budget, for the future requirement for local governments to adopt a professional development policy for its elected members resulting from Phase 1 of the Local Government Act Review
Addition of 'Independent Committee Members' section	To ensure that independent committee members are accounted for in the new policy. While such committee members are not entitled to a meeting fee payment, reimbursement of expenses as set out in the Regulations are applicable. Further expenses, as allowable under this policy, relates to approved training undertaken by independent committee members, as relevant to their role in the committee, and the local government sector.
Additional requirements under 'Reimbursement of Expenses'	To ensure that claims for reimbursement submitted provide sufficient evidentiary information for the claim to be assessed by the Town. It is further stipulated that reimbursements may only be claimed within 60 days of the expense being incurred to promote administrative efficiency.

It is anticipated that above changes will not only modernise the existing policy, but make the policy easier to implement by providing greater clarity in many aspects that may have been subject to interpretation.

CONCLUSION:

It is believed that the proposed policy not only achieves the intended outcomes as set out by the Committee, but it is forward-thinking in its approach and is compliant of relevant legislation. As such, it is proposed that the current policy, EM6 Fees, Expenses and Allowances – Elected Members Policy, be repealed and replaced with the proposed EM6 Fees, Expenses and Allowances – Elected Members and Independent Committee Members Policy, as presented in Appendix 2.

As current elected member allowances have been paid until 30 April 2019, it is further recommended that this policy takes effect from 1 May 2019.

RECOMMENDATION/S:

That the Finance and Audit Committee recommends that Council:

- 1. Adopts EM6 Fees, Expenses and Allowances – Elected Members and Independent Committee Members Policy, as included in Appendix 2**
- 2. Endorses that EM6 Fees, Expenses and Allowances – Elected Members and Independent Committee Members Policy, as included in Appendix 2, take effect from 1 May 2019**
- 3. Repeals EM6 Fees, Expenses and Allowances – Elected Members Policy, as included in Appendix 1, from 30 March 2019.**

8.4 Local Government Compliance Audit 2018

File Reference:	COR/15/0001~01
Attachments	No
Appendices:	1. 2018 Compliance Audit Return 2. 2017 Compliance Audit Return – for reference

Date:	14 January 2018
Reporting Officer:	L. O'Neill
Responsible Officer:	D. Uniza
Voting Requirement:	Simple Majority

Executive Summary:

Recommendation – That the Finance and Audit Committee recommends that Council adopts the Local Government Compliance Audit Return, as presented in Appendix 1, for the period 1 January to 31 December 2018.

- While the Town remains compliant of the Local Government Compliance Audit for 2018 calendar year, some opportunities for improvement, of which are mostly administrative in nature, are suggested.
- The Local Government Compliance Audit Return ('CAR') is to be submitted to the Department of Local Government, Sport and Cultural Industries (the 'Department') by 31 March 2019 as required the *Local Government (Audit) Regulations 1996* (Regulations).
- The joint certification is to be completed by the Mayor and Chief Executive Officer and the document forwarded to the Department of Local Government, Sport and Cultural Industries through 'SmartHub'.

TABLED ITEMS:

Nil.

BACKGROUND:

Regulation 14 of the Regulations requires that a compliance audit return for the period 1 January to 31 December is completed each year. The CAR is a statutory reporting tool that seeks to evaluate that Town's compliance with targeted sections of the *Local Government Act 1995 (Act)*.

The Regulations require that the CAR is presented to Council for adoption following review of its Audit Committee. Once adopted, the CAR is to be certified by both the Mayor and Chief Executive Officer before it is submitted to the Executive Director of the Department of Local Government and Communities by 31 March 2019.

DETAILS:

The CAR covers a range of matters that require actions to be completed by local governments in performing their functions to maintain legislative compliance with the Act.

The CAR requires that responsible officers respond to the audit questions, whether the Town was compliant of required actions, by answering:

- (a) Yes;
- (b) No; or
- (c) N/A – Not Applicable.

Local governments are required to provide feedback or comments on areas of non-compliance. This assists the Department in better understanding any problems or issues that have resulted in a local government's inability to achieve full compliance in a particular area.

The following table summarises the Town's performance in each of the relevant categories. A comparison between the 2017 and 2018 CAR has been provided. Two new questions have been provided in the Finance area relating to Regulation 17 of the Regulations.

As the Compliance Audit Return is typically consisted of the minimum expected compliance standard for local governments, the Town remains 100% compliant for the 2018 Compliance Audit Return.

Category	2017 Audit Questions	Compliance Rating	2018 Audit Questions	Compliance Rating
Commercial Enterprises by Local Governments	5	100%	5	100%
Delegation of Power / Duty	13	100%	13	100%
Disclosure of Interest	16	100%	16	100%
Disposal of Property	2	100%	2	100%
Elections	1	100%	1	100%
Finance	14	100%	16	100%
Integrated Planning & Reporting	7	100%	7	100%
Local Government Employees	5	100%	5	100%
Official Conduct	6	100%	6	100%
Tenders for Providing Goods and Services	25	100%	25	100%
TOTAL	94	99%	96	100%

It is a requirement pursuant to Regulation 14 of the Regulations that local governments submit the Compliance Audit Return to its Audit Committee for consideration. The intent is for the Audit Committee to examine the CAR and, if appropriate, make comment of recommendations to Council.

Further to this, a joint certification is also to be completed by the Mayor and Chief Executive Officer to the effect that the information contained in the CAR is true and correct to the best of their knowledge.

Legal Compliance:

Local Government Act 1995 – Section 7.13(1)(i)

Local Government (Audit) Regulations 1996 – Regulations 14

Local Government (Audit) Regulations 1996 – Regulations 15

Policy Implications:

Nil.

Risk Management Considerations:

The risk associated with the Council failing to adopt the Return would result in non-compliance with the legislative requirements of the *Local Government (Audit) Regulations 1996*.

Risk & Consequence	Consequence + Rating	Likelihood = Rating	Overall Risk Analysis	Mitigation/Actions
<p>Compliance</p> <p>There is a statutory requirement pursuant to the Audit Regulations for local governments to complete the annual Compliance Audit Return.</p>	Minor	Likely	Low	<p>Compliance Audits will identify any issues that need to be remedied or mitigated against.</p> <p>Pursuant to the <i>Local Government (Audit) Regulations 1996</i>, the CAR for the 2018 year is mandatory and must be completed.</p>

Strategic Plan Implications:

CL10 Legislative responsibilities are resourced and managed appropriately, diligently and equitably.

Financial Implications:

Internal Budget:

Nil.

Total Asset Management:

Nil.

Sustainability Assessment:External Economic Implications:

Nil.

Social Issues:

Nil.

Cultural Issues:

Nil.

Environmental Issues:

Nil.

COMMENT:

In completing the CAR, relevant officers were required to undertake an audit of the Town's activities, practices and procedures in line with the Act and its associated regulations. While the survey presented by the Department does not require inclusion of evidentiary information, and this has not typically been the approach of the Town, in the 2018 return, the Town has made it a requirement that the responses provided by officers are evidenced by either a comment, or where applicable, citing references to relevant internal and external documents under the 'Comments' section of Attachment 1. This is to ensure that all responses to the audit questions are substantiated.

The internal audit has identified no areas of non-compliance; however, a number of procedural opportunities for improvement (OFI) have been identified as summarised in Table 1.

Compliance Area	Compliant	Non-Compliant	OFI
Commercial Enterprises by Local Government	5	0	N
Delegation of Power/Duty	13	0	Y
Disclosure of Interest	16	0	Y
Disposal of Property	2	0	N
Elections	1	0	N
Finance	16	0	N
Integrated Planning and Reporting	7	0	Y
Local Government Employees	5	0	N
Official Conduct	6	0	Y
Tenders for Providing Goods and Services	25	0	N

Table 1 – Town of Victoria Park Compliance Audit Return Result Summary

As the Town seeks to continually improve its internal processes and procedures, a number of processes have been identified for improvement, as detailed below.

Disclosure of Interest

While the Town currently records Disclosure of Interests received through its records management system, it is difficult to readily locate all such information as they are not centrally maintained. The Town is in the process of procuring a software that will centralise such documents, and make them easily reportable.

Delegation of Power/ Duty

While the Town currently records its exercise of its delegation of powers and duties through its records management system, it is difficult to readily locate all such decisions exercised as they are not centrally maintained. As such, the Town is in the process of sourcing new software for the capture of exercise of delegated authority, along with other functions such as capturing gift declaration, annual returns, etc. This system will be implemented alongside Council's adoption of its delegations in early 2019. It is envisaged that this system will allow the Town to produce regular reports regarding delegations exercised by relevant officers.

Finance

In the 2018 CAR, two new questions were asked in relation to audits conducted under Regulation 17 of the *Local Government (Audit) Regulations 1996*, which relate to the CEO's review of systems and procedures, namely: risk management, internal control and legislative compliance. This requirement was recently changed to be conducted on a three-yearly, rather than a two-yearly basis. The Town has last conducted the required review in the 2016/2017 financial year through single audit conducted on all three systems. As this audit is due to be conducted this year, it is proposed that the audit of systems be conducted in a staggered manner so that each system may be properly scrutinised, and that the Town's Finance and Audit Committee is provided with three different audit reports, relating to the three areas over the course of the year.

Integrated Planning and Reporting

While the Town is compliant with integrated planning and reporting requirements as set out in the Act, it is proposed that the comprehensiveness of documents within this suite be further reviewed. At current, the Town is in the process of conducting a minor review of its Strategic Community Plan, following this it is anticipated that wholesale review of its Corporate Business Plan will be conducted to ensure its relevance, effectiveness and clarity.

Official Conduct

In relation to the keeping of a complaints register, it is recommended that the Town revisit the current format of its register and update the information to better reflect best practice models.

As the opportunities for improvement as outlined above relate to the operations of the Town, such actions will be managed administratively.

CONCLUSION:

While some OFI's have been identified, the Town has remained compliant of requirements as set out in the 2018 Compliance Audit Return. As such, it is proposed that the Finance and Audit Committee recommends that Council adopt the 2018 Compliance Audit Return as presented in Appendix 1.

RECOMMENDATION/S:

That the Finance and Audit Committee recommends that Council:

- 1. Adopts the Compliance Audit Return for the period of 1 January to 31 December 2018, as included in Appendix 1, in accordance with the provisions of Regulation 14(3) of the *Local Government (Audit) Regulations 1996*.**
- 2. Authorises the Mayor and Chief Executive Officer to complete the Joint Certification contained in the Department of Local Government, Sport and**

Section 5.65(1) of the Local Government Act 1995 states that:

“A member who has an interest in any matter to be discussed at a Council or Committee meeting that will be attended by that member must disclose the nature of the interest:

- (a) in a written notice given to the CEO before the meeting; or
- (b) at the meeting immediately before the matter is discussed”.

ALTERNATE MOTION / AMENDMENT SUBMISSION

To: HIS WORSHIP THE MAYOR:

Please be advised that I wish to move an ALTERNATE MOTION / AMENDMENT

Name of Elected Member:

Signature:

Date of Submission:

Council Meeting Date:

Item Number:

Item Title:

Alternate Motion / Amendment: *(strike out which is not applicable)*

Note: Motions to Stand Alone

All decisions of the council must be in the form of motions that are clear in their intent and enable a person to understand what has been decided without reference to another motion or information contained in the body of a report.

Reason:

Note: Explanation for changes to Recommendations

Administration Regulation 11 requires the minutes to include written reasons for each decision that is significantly different from the written recommendation. Members must therefore provide a written reason in the space provided above.
