

Fencing Local Law 2020 – Public submission summary

No.	Submission received	Officer's response	Amended – Y/N
1	<p>I support but have some concerns</p> <p>Aluminium should be included as an acceptable material for picket fences. Wooden picket fences deteriorate, and steel pickets are not readily available in Perth</p>	<p>The Fencing Local Law has been amended at Schedule 1 (b) to include aluminium as a sufficient fencing material for fencing in the forward setback area. Aluminium is a common fencing material for infill panels in residential areas.</p>	Y
