

Petition of the Electors of Victoria Park

To the Elected Members of the Town of Victoria Park

We, the undersigned, all being electors of the Town of Victoria Park do respectfully request that the Council:

Support with funding and other Administrative assistance, a pop-up chat room in the form of a branded gazebo, to enable encouragement of the use of bicycles for journeys around the Town and beyond. This resource would be community-owned and managed and deployed at all suitable community events, to allow people to discuss with volunteers the opportunities and impediments in their lives to the use of a bicycle. Respectful supportive problem solving would be made possible by the creation of this facilitated space for community education.

Correspondence in respect to this petition should be addressed to;

Maxine Drake of 86 Swansea Street, East Victoria Park

Maxine.drake@gmail.com / 0409 016 104

The names and addresses of petitioners are as follows:
