Dear Mr Vuleta,

Development Proposal for 1022 – 1032 Albany Highway and Right of Way 54, East Victoria Park

1. We refer to the Special Council Meeting which has been called on 31 August 2020 “...for the purpose of considering dedicating ROW 54 as a public road”.
2. We note that the attachments to the agenda for the Special Council Meeting does not include our most recent substantive correspondence of with the Town of Victoria Park’s (**Town**) lawyers dated 17 August 2020. We have enclosed a copy of this letter and the correspondence it refers to in order to ensure that the Town and the Councillors are aware of it.
3. If the City previously had received this correspondence from its lawyers, then we seek clarification as to why it was not included as an attachment to the agenda for the Special Council Meeting.
4. We request that this be rectified as soon as possible and that a copy of this letter and the correspondence it refer to be uploaded as an attachment to the agenda on the Town’s website.

If you have any questions or wish to discuss the above, please let us know.

Yours sincerely,
