### Purpose

To provide Council with an overview of the Town's COVID Community Restart Grant applications and assessments for review and endorsement.

### In brief

- On 11 March 2020, the World Health Organization declared the COVID-19 outbreak a global pandemic.
- On 15 March 2020, the WA government declared a state of emergency for Western Australia.
- Since the Western Australian government declared the emergency, the Town has prepared and executed a range of immediate support measures appropriate to what is described as the 'response' Phase.
- At the May 2020 Ordinary Council Meeting, Council approved the reallocation of \$70,000 from the existing Community Development 2019/20 budget to be repurposed for a COVID-19 response community grant program.

- Applications for the Restart Community Grants opened Friday 22 May and closed Friday 5 June 2020.
- The Town received a total of 25 applications, of the 25 applications 16 met the Town's selection criteria.
- A panel of 4 Town officers evaluated the 16 eligible applications against the Towns COVID-19 Response Community Grant program assessment matrix.
- From these evaluations Town Officers identified 11 successful applicants to present to Council for endorsement.

## Background

- 1. At a Special Council Meeting on 7 April 2020, Council resolved that: "Requests the Chief Executive Officer to prepare a report to the Ordinary Council Meeting in May 2020 outlining the options for establishing a donation program to support not-for-profit or charitable organisation's located in the Town in providing assistance and support to the local community."
- 2. At the 19 May 2020 Ordinary Council Meeting, Council approved the reallocation of \$70,000 from within the existing Community Development 2019/20 budget to be repurposed for a COVID-19 response community grant program and resolved that: *"The Chief Executive Officer present a further report with recommendations for the allocation of the grant funding".*
- 3. At the 16 June 2020 Ordinary Council Meeting Council resolved that:
  - 1. Decides to hold a Special Council Meeting on 22 June at 6.30pm in the Towns of Victoria Park Council Chamber, in accordance with section 5.4(b) of the Local Government Act 1995, for the purpose of considering grants as a part of the COVID Restart Community Grants program.
  - 2. Request that the Chief Executive Officer presents a further report back to Council by June 2020 which outlines the details of all applicants received for the COVID-19 community grants program and the assessment of them correct.
- 4. To support the community through the survival phase the Town conducted an assessment of the financial position of the Community Development portfolio to ascertain what community support could be provided by means of financial support through a community grant funding program.
- 5. It was identified that within the Community Development budget were funds potentially unable to be expended due to projects and services unable to be progressed or be delivered due to the COVID-19 pandemic. The unexpended funds from within Community Development were pooled and presented to Council for endorsement of a COVID-19 Restart Community Grants.
- 6. The Restart Community Grants program opened for a period of two weeks commencing 25 May 2020 and closing 5 June 2020.
- 7. The COVID-19 Restart Community Grants were accessible via an expression of interest on the Town's website for applications up to \$10,000.
- 8. These funds will be made available to:
  - a. assist in the relief of people in need as a direct or indirect consequence of the conditions imposed by COVID-19
  - b. support collaboration between stakeholders who aim to work towards a common goal and share services
  - c. provide relief and support of residents (including homeless residents) within the Town

- d. increase community capacity and encourage community-led programs to address local needs
- e. services that can be delivered in compliance with social distancing, in accordance with federal and state-imposed restrictions applicable at the time of delivery.
- 9. The Restart Community Grants were designed to provide eligible applicants the opportunity to apply for funding up to \$10,000 for community-led initiatives that safely address social issues arising within the community due to COVID-19.
- 10. The application consisted of seven questions with a maximum weighting score of four points per question with the maximum available score being 28.
- 11. The questions were aligned with the Towns Restart Vic Park Recovery Strategy and the Town's Strategic Community Plan outcomes.
- 12. The Town received 25 applications that requested a total of \$176,114 in grant funding.
- 13. Of the 25 applications 9 applications did not meet the Town's selection criteria, therefore were ineligible and removed from the formal assessment process.

Seconder: Cr Jesvin Karimi

**For:** Mayor Karen Vernon, Cr Claire Anderson, Cr Brian Oliver, Cr Luana Lisandro, Cr Wilfred Hendriks, Cr Bronwyn Ife, Cr Jesvin Karimi

#### Against: nil

**Reason:** The discussion we have had highlights that there isn't a clear path by which an unsuccessful grant applicant can register their dissatisfaction with the grants assessment process. It seems that there should be a process by which they can bring this forward for consideration.
