## Parking

Town-wide promotion 30 minutes free parking for the first session each day for the same vehicle.			
Dynamic pricing - 50% discount		Dynamic Pricing - 50% Discount	
Dynamic pricing - 50% surcharge		Dynamic Pricing - 50% Surcharge	
Parking fee - off street - max fee per day	\$0.00	\$8.00	∞
The maximum fee payable for all-day paid parking within Town-owned car parks. To streamline the parking fees and schedules, off-street fees are being consolidated into a single fee and not based on area. The Lower day rate is designed to encourage greater use of off-street car parking and increase capacity on-street. This aligns with the goals of the Town's Parking Management Plan. It's recommended this fee increase from \$7.40 to \$8 per day.			
Parking fee - off street - per hour	\$0.00	\$1.70	∞
The per-hour rate for off-street parking (ToVP car parks). In an effort to streamline the parking fees and schedules, off-street fees are being consolidated into a single fee and not based on area. The Lower hourly rate when compared to on-street parking fees is to encourage greater use of off-street car parking and increase capacity on-street. This aligns with the goals of the Town's Parking Management Plan. It is recommended this fee increase from \$1.60 to \$1.70 as per the Parking Management Plan.			
Parking fee - on street - max fee per day		Between \$8 and \$14 per day.	
The maximum fee payable where all-day paid parking is available. High-volume areas, for example those surrounding Albany Highway would have a higher daily rate. Lower-volume areas such as Burswood Station East and the Oats Street precincts would have a lower daily rate. To streamline the parking fees and schedules, on-street max fee per day is being consolidated into a single fee and not based on area.			
Parking fee - on street - per hour		Between \$1.70 and \$3.50	
		Min. Fee incl. GST: \$1.70	
The per-hour rate for on-street parking can be set to within the stated range depending on the location. High-volume areas, for example those surrounding Albany Highway would have a higher hourly rate. Lower-volume areas such as Burswood Station East and the Oats Street precincts would have a lower hourly rate. To streamline the parking fees and schedules, on-street fees are being consolidated into a single fee and not based on area. It is recommended the range of fees be increased from \$1.60 to \$3.40 per hour to \$1.70 to \$3.50 per hour, representing a \$0.10 increase as per the Parking Management Plan.			
Parking permit application/renewal fee	\$0.00	\$35.00	∞
Admin fee for reviewing applications for parking permits listed within Policy 351 Parking Permits and Policy 352 Parking work zones at building sites.			

## Parking Work Zone Permits

Parking work zone signage and installation		At cost.	
The costs for installation of Parking Work Zone Signage to educate the public on any bay reservations as per approved permits. Policy 352 states: "where practical, work zone signage will be erected at the start and at the end of the work zone "
