4 Items for discussion

4.1.1 Planet Street Verge Project

Reporting officer	Pierre Quesnel
Attachments	Urban Forest Project Proposal – Planet Street Verge Project

Purpose of the item

UFS Implementation project proposals are received from the community and Town staff via online form. The proposals are collated and presented to the UFS Implementation Working Group who will provide advice and recommendations to inform prioritisation and implementation of UFS implementation projects.

Outcome

Following open discussion about the proposal amongst the group and Town subject matter experts' recommendations, advice and additional opportunities and recorded in the meeting notes. This will assist Town staff in the prioritisation of projects. It will also assist in understanding the likely community impacts and sentiment which will influence the manner of project delivery.

Discussion points

- Project costs
- Community support
- Place impact
- UFS targets
- Environmental services
- Health outcomes

Next steps

To be determined

Further information

See attached – Urban Forest Project Proposal – Planet Street Verge Project

4.1.2 Vic Park Heights Tree Plantings

Reporting officer	Pierre Quesnel
Attachments	Urban Forest Project Proposal – Vic Park Heights

Purpose of the item

UFS Implementation project proposals are received from the community and Town staff via online form. The proposals are collated and presented to the UFS Implementation Working Group who will provide advice and recommendations to inform prioritisation and implementation of UFS implementation projects.

Outcome

Following open discussion about the proposal amongst the group and Town subject matter experts' recommendations, advice and additional opportunities and recorded in the meeting notes. This will assist Town staff in the prioritisation of projects. It will also assist in understanding the likely community impacts and sentiment which will influence the manner of project delivery.

Discussion points

Project costs
Community support
Place impact
UFS targets
Environmental services
Health outcomes

Next steps
