LG501**BUSH FIRES ACT 1954***Shire of Waroona***FIREBREAK NOTICE**

This Notice is made pursuant to section 33 of the *Bush Fires Act 1954* (the Act). The purpose of the Notice is to prevent the outbreak, spread or expansion of a bush fire within the district. The Notice applies to all owners/occupiers of land within the district.

Owners/occupiers of land must comply with the requirements of this Notice between 1 December and 15 May inclusive. A penalty of up to \$5,000 applies for non-compliance with this Notice. Shire Rangers will begin inspecting properties from 1 December. In the case of non-compliance, owners/occupiers are liable to pay the costs of any work carried out by the Shire's contractors in order to bring the property into compliance.

All properties less than 4,000m²

- All flammable material across the entirety of the property must be maintained to a height of 50mm or less.

All properties between 4,000m² and 40ha

- A 3m wide firebreak with a 4m high vertical axis must be constructed within the property as close as possible to all boundaries, but no further than 50m from boundaries.
- A 3m wide firebreak with a 4m high vertical axis must be constructed immediately surrounding all outbuildings, sheds, haystacks, groups of buildings and fuel depots/storage areas situated on the property.
- All grasses and weeds (alive or dead) within 20m of a dwelling or habitable building cut and maintained to a height of 50mm or less.
- A 3m wide compacted or sealed driveway being maintained between any dwelling/habitable building and the road. The driveway to have a 4m high vertical axis clear of overhanging vegetation.

Properties greater than 40ha

- A 3m wide firebreak with a 4m high vertical axis must be constructed within the property as close as possible to the boundary where that boundary abuts a road reserve or other type of reserve managed by the Crown or the Shire, but no further than 50m from that boundary.
- Property owners are encouraged to construct firebreaks in suitable locations within their property to protect life and buildings.
- A 3m wide firebreak with a 4m high vertical axis must be constructed immediately surrounding all outbuildings, sheds, haystacks, groups of buildings and fuel depots/storage areas situated on the property.
- All grasses and weeds (alive or dead) within 20m of a dwelling or habitable building being cut and maintained to a height of 50mm or less.
- A 3m wide compacted or sealed driveway being maintained between any dwelling/habitable building and the road. The driveway to have a 4m high vertical axis clear of overhanging vegetation.
- Active pasture growth management within paddocks must be carried out by way of animal grazing or by mechanical means (slashing, cutting, mowing, ploughing).

Variation to Notice

If you consider it impractical to meet the requirements of this Notice, you may apply to the Shire for a variation. Applications must be submitted by no later than 1 November. Any applications submitted after this date will not be accepted. Please contact the Shire for an application form.

Bushfire Management Plans

Some properties in the district, especially in rural residential areas, may be subject to a Bushfire Management Plan or bushfire management conditions as a result of a subdivision or development approval. The requirements of any approved Bushfire Management Plan or conditions of any development approval must also be complied with in addition to the requirements of this Notice.

Special Works Orders

The Shire may issue a Special Works Order to owners/occupiers if, in the opinion of the Shire, a property requires extra hazard removal or reduction work in order to reduce the potential for the outbreak, spread or expansion of a bush fire.

Excessive Clearing of Vegetation

The requirement to clear vegetation to establish firebreaks in accordance with this Notice is exempt from needing approval from the Shire or a clearing permit from the State government. However, excessive clearing of vegetation to construct wider or higher firebreaks is not exempt from approval. Where properties have already had compliant firebreaks constructed, these firebreaks should be re-used the following year rather than clearing new areas. The Shire balances legislative requirements relating to bushfire protection and environmental protection.

Plantations

- A 15m wide firebreak with a fully cleared vertical axis must be constructed around the perimeter of the planted area.
- Internal 6m wide firebreaks with a fully cleared vertical axis must be constructed to divide the planted area into areas of no more than 30,000m².

Firebreak Standards

A firebreak must be constructed to achieve the specified area of horizontal and vertical width and height that is cleared of all trees, shrubs, overhanging branches, grass and other combustible material. The ground section of a firebreak must be finished as bare mineral earth.

Asset Protection Zone Standards and Additional Recommendations for Owners/Occupiers of Properties with a Dwelling(s)

An asset protection zone (APZ) is a 20m area immediately surrounding any part of a dwelling. The following standards are not required under this Notice, but are strongly recommended to be carried out around a dwelling.

- Cut grasses and weeds (alive or dead) to a height of 50mm or less within 20m of the dwelling.
- Fine fuel load should be maintained at less than 2 tonnes per hectare.
- Mulches should be non-combustible such as stone, gravel or wood mulch less than 6mm thickness.
- Tree trunks at maturity should be a minimum distance of 6m from all parts of any building.
- Trees should be pruned so that no branches are within 2m of ground level.
- Tree branches should not touch or overhang a building or powerline.
- Tree canopy cover should be less than 15% of the total area.
- Tree canopies at maturity should be at least 5m apart to avoid forming a continuous canopy. Stands of existing mature trees with interlocking canopies may be treated as an individual canopy provided that the total canopy cover within the APZ will not exceed 15% and are not connected to the tree canopy outside the APZ.
- Shrub or scrub should not be located under trees or within 3m of any building.
- Shrub or scrub should not be planted in clumps more than 5m². Clumps should not be within 10m of one another, or within 10m of a window or door.
- Shrub and scrub should be under pruned and free of dead material.
- Ground covers can be planted under trees but should be maintained to remove dead plant material.
- Ground covers can be located within 2m of a building, however they should not be within 3m of a window or door.

PLANNING AND DEVELOPMENT ACT 2005
METROPOLITAN REGION SCHEME MAJOR AMENDMENT 1409/41
Portion of North Ellenbrook (West)
Call for Public Submissions

RLS/1112

The Western Australian Planning Commission (WAPC) is seeking public comment on a proposal to amend the Metropolitan Region Scheme (MRS) for land in the local government of Swan.

The amendment seeks to transfer approximately 393.12 ha in Bullsbrook from the Rural zone to the Urban Deferred zone and Parks and Recreation reservation in the MRS. The amendment also extends Bush Forever Sites 298 and 399.

The intent of the amendment is to facilitate future residential and light industrial/service commercial development and areas for public open space and environmental conservation.

Display locations

The plans showing the proposed change and the WAPC's amendment report which explains the proposal, will be available for public inspection, free of charge from 13 September 2024 until 13 December 2024 at the—

- Western Australian Planning Commission, 140 William Street, Perth
- City of Swan
- City of Wanneroo
- City of Fremantle
- City of Perth
- J S Battye Library, Level 3 Alexander Library Building, Perth Cultural Centre

Documents can also be viewed online at the Department of Planning, Lands and Heritage website <https://www.wa.gov.au/organisation/department-of-planning-lands-and-heritage/region-planning-schemes>.

Submissions

Any person who desires to make a submission to support, object or provide comment on any part of the proposed amendment should do so on a Form 41, which is available from the display locations, the amendment report and online.

Submissions can be lodged online via <https://haveyoursay.dplh.wa.gov.au/hub-page/statutory-matters>, emailed to RegionPlanningSchemes@dplh.wa.gov.au or by post to: Secretary, Western Australian Planning Commission, Locked Bag 2506, Perth WA 6001.

Submissions close, **13 December 2024**. Late submissions will not be considered.

Ms SAM BOUCHER, Secretary, Western Australian Planning Commission.
