An authorised person is to be in attendance at the pound for the release of dogs at the times and on the days of the week as are determined by the CEO.

- (1) A claim for the release of a dog seized and impounded is to be made to an authorised person or in the absence of an authorised person, to the CEO.

 - (d) maintain the fence and all gates and doors in the fence in good order and condition; and
 - (e) where no part of the premises consists of open space, yard or garden or there is no open space or garden or yard of which the occupier has exclusive use or occupation, ensure that other means exist on the premises (other than the tethering of the dog) for effectively confining the dog within the premises.

3.3 Limitation on the number of dogs

The limit on the number of dogs which may be kept on any premises is, for the purpose of section 26(4) of the Act, two dogs over the age of three months and the young of those dogs under that age.

Part 4 – Approved Kennel Establishments

4.1 Interpretation

In this Part and in Schedule 2—

“licence” means a licence to keep an approved kennel establishment on premises;

“licensee” means the holder of a licence;

“premises”, in addition to the meaning given to it in section 3 of the Act, means the premises described in the application for a licence; and

“transferee” means a person who applies for the transfer of a licence to her or him under clause 4.14.

 - (a) the notices given under subclause (1) do not clearly identify the premises; or
 - (b) a notice given under subclause (1)(a) is of a size or in a location in the purpose newspaper which, in the opinion of the local government, would fail to serve the purpose of notifying persons of the proposed use of the premises,

then the local government may refuse to determine the application for a licence until the notices or notice, as the case may be, is given in accordance with its directions.

4.4 Exemption from notice requirements

Where an application for a licence is made in respect of premises on which an approved kennel establishment is either a—

- (a) permitted use; or

4.7 Where application cannot be approved

The local government cannot approve an application for a licence where—

- (a) an approved kennel establishment cannot be permitted by the local government on the premises under a town planning scheme; or

- (2) The local government is not to determine an application for the transfer of a valid licence until the transferee has complied with subclause (1).
- (3) The local government may approve, whether or not subject to such conditions as it considers appropriate, or refuse to approve an application for the transfer of a valid licence.
