Environmental Health	Late application or document lodgement fees - Events	High/Major impact event - less than 3 months before event	per lodgement	\$1,000.00	Significantly large Events (such as major music festivals, +10,000 attendees etc.) require a lot of documentation to be processed and reviewed. Late applications place undue time pressures upon staff to cease their daily/routine activities and focus on the late application. This fee is to be used as a monetary deterrent to discourage late applications.
